Currently, LED outdoor lighting is expensive and difficult to install. With i-lighting’s patented Easy Plug™ Installation System and low voltage DC power supplies, both contractors and consumers can now affordably access and utilize LED outdoor lighting thus allowing the full benefits of LED technology.

I-Lighting’s Three Unique Factors

1. LED Technology
   - Saves 80% in energy savings and generates no heat making them safe for children and pets while attracting less insects.

2. DC Power Supply
   - Creates minimal line voltage drops and shocking hazards.

3. Patented Easy Plug System
   - Installs in 1/2 the time as traditional lighting systems.
INTERIOR & EXTERIOR LIGHTING WITH ILUMA
**10mm Iluma strip light**
Precut in 6” to 72” or custom lengths with easy plug micro connectors. Adheres with industrial 3M tape. Wattage: 4.5 per foot
Color: Black or White Poly-Tubing LED: White, Warm Yellow, Full Color RGB
IL10MM RGB10MM

**12mm Iluma Extreme Outdoor**
Flexible Pre Cut to any length with 6” easy plug connector cable Wattage: 1.7W per foot
Color: Clear Industrial IP67 Grade CoaKng Full Color RGB
RGBFLEX

**5mm Iluma strip light**
Precut in 6” to 72” or custom lengths with easy plug micro connectors. Adheres with industrial 3M tape. Wattage: 1.6 per foot
Color: Black or White Poly-Tubing LED: White or Warm Yellow
IL5MM

**Iluma Dimmers:**
Push, Touch, IR (Proximity)
Turns lights on/off and dims up/down.
PB DIM TCDIM IRDIM

**Iluma Connector cables**
22 GA easy plug connector cables precut lengths from 6” to 48” or custom lengths. UL wire also available to install in wall. Color: Black or White
EX-72;120

**Iluma UL Connector Cables**
22 GA easy plug UL connector cables to install inside walls for new construction application Pre cut lengths from 6’ to 18’ or custom lengths. Color: Gray
POWER SUPPLY & REMOTE OPTIONS

DC Power Supply
12 volt DC Power Supply with photo eye sensor and 6’ power cord. Available in 25, 50, 75, 90, 160, and 320 Watts. *Our power supply can only be used with the i-lighting systems.

DL 51025  DL 51050  DL 51075
DL 510160  DL 510320

RF Remote Dimmer
The RF remote dimmer is built into the power supply and gives you the option to dim your deck and stair lights along with turning them on and off as you please.

RF Remote Dimmer with Timer
The RF remote dimmer and timer option is built into the power supply and gives you the option to dim your deck and stair lights along with the ability to turn their lights off in 2, 4, or 8 hours.

RGBRM  RGBPC

Full RGB Controllers
The Full RGB Controllers allow you to enjoy your brand new colored lighting from your phone RGBPC or a remote RGBRM all of I Lightings full colored lighting are also dimmable!
**Colors come in Black and White Case**

**NEED TO SPECIFY COOL WHITE, WARM YELLOW LIGHT RGB FULL COLOR**

**If you need segmented 5MM specify in order**

**MM = Millimeter**

**Small and Large kits include power supply and photo eye**
