

Outdoor iLuma Light Strip Installation Instructions

Fixture Color:

LED Color:

Note: It is assumed you have installed the power supply using its provided instructions.

1

Turn the system on by removing the photo eye (unplug the photo eye micro-connector from the power supply).

2

Locate where the appropriate length light strips will be mounted.

3

Ensure the mounting surface is clean and free of loose debris.

Continued on back...

- ④ Remove the backing of the double back tape to adhere the light strip.
- ⑤ Plug the connector cables together to bridge gaps between the light strips.
- ⑥ Fasten the connector cables to the cabinet using the
- ⑦ Continue to mount the light strips and connecting the cables.

*****To ensure a water tight seal, push connectors firmly together.*****
