

## Rock Run Hardscape Light Installation Instructions

Fixture Color: ● ● ●

LED Color: ○ ●

**Note:** It is assumed you have installed the power supply using its provided instructions.

①

Turn the system on (if you have a photo-eye system, unplug the photo eye micro-connector from the power supply so power is provided to the lights).

②

Connect the 60" lead on the T-cable to the light.

③

Connect the power supply to the first easy plug connector cable or hardscape light by plugging together the black connectors.

Continued on back...

- ④ Install the hardscape lights where desired.
- ⑤ Space the lights apart by plugging together the black connectors on the connector cables to the T-cables.
- ⑥ Continue to connect all the lights by plugging each T-cable together.
- ⑦ If you have a photo-eye system, reconnect the photo eye when installation is complete.

**\*\*\*To ensure a water tight seal, push connectors firmly together.\*\*\***
